In "Sangfoni" we explore what music consists of.

## The songs and music from "Sangfoni"

Music is fun!

## Well-known songs in a new way

In "Sangfoni" you can explore what music consists of. Here you'll find the rhythms and find out more about the melodies. Can a crutch become a conductor? Can martial arts form the rhythm of "Gubben Noah", or can the song be singed in a "Bollywood version"? What if you sing "Bæ, bæ lille lam" as an opera? And how can "Alle fugler" become a samba?

Through two seasons on NRK Super, "Sangfoni" has featured famous and dear children's songs in a new costume, arranged and produced by John Vinge. "Sangfoni" manages the Norwegian song heritage, while inspiring with new arrangements and genres.
